

# MOBILE SERVICE VEHICLE

Custom built for all round satisfaction

RMAA SA designed Mobile Service Vehicle provides a practical, high quality and durable Mobile Workshop solution. All our vehicles boast a sleek exterior, stylish storage compartments and powder coated steel constructed parts. Fitted with a 3000W inverter system, 220v power supply, interior LED strip lighting as well as exterior work lights.

RMA Automotive South Africa was established in 2007 and forms part of the global RMA Group, based in Bangkok Thailand. Our modern facility is situated in Silverton, Pretoria where we design, engineer and build specialised vehicle modifications and solutions to cater for the mobility market on the African continent.

RMAA's vehicle personalization services, modifications and conversions are engineered from the ground-up and manufactured with the best quality materials. Our high quality standards and affordable pricing confirm our commitment to customer satisfaction at all times. The company is QVM and ISO certified and has a Level 4 B-BBEE rating.

# MOBILE SERVICE VEHICLE
